

## My Prince George's County: Emergency Management

[Emergency Management](#) > [Resources](#) > [Warming Centers](#)

### Warming Centers

The [O.E.M.](#) in collaboration with the [Prince George's County Maryland-National Capital Park and Planning Commission](#) encourages residents without heat, who are in need of relief from the cold temperatures, to utilize one of the following local warming centers. Residents are encouraged to call each facility to obtain hours of operation.

These sites are **NOT** equipped to serve as shelters.
